Financial Policy

Insurance Coverage

Your insurance policy is an agreement between you and your insurer, not between your insurer and this clinic. Most insurance policies require the beneficiary to pay co-insurance, co-payment and/or a deductible. We will accept your insurance in any of the plans that we are providers with. Certain insurance companies will only allow a particular number of visits per year and/or per diagnosis code. If your insurance company denies your care in total and/or partial with regards to the amount of visits necessary for the treatment of your condition, you will be responsible for the remainder of the balance.

It is our office policy to collect either a co-pay/co-insurance or an estimated insurance deductible at the time of visit.

It is our policy that all appointments must be canceled 24 hours prior to scheduled time other than for weather related cancellations. Anyone canceling appointments with less notice, regrettably, will be charged a $35.00 fee for the appointment. If we are not in the office a message on our answering machine will do. THIS IS A POLICY WE DO ENFORCE.

I understand that all health services rendered to me and charged to me are my personal financial responsibility. I understand and agree to the conditions of this policy.
